Erasmus+

CERTIFIED COURSES
IN PRAGUE

Are you planning
your ERASMUS+ project?

Erasmus Grows. Don't miss out.
Be ready for the year 2022

Visit the heart of Europe, **Prague**, the capital of the Czech Republic.

Spend **5 days** of hands-on training
for teachers focused on technical and digital skills of children aged 4-8.

Experience new and original ways to teach children STEM and ICT as well as experience beautiful and historical city of Prague.

Available dates:

Summer term: 15. 8. - 19.8. 2022

Autumn term: 21.11. - 25.11. 2022

More terms to come in 2023

Our courses are aimed at:

- teachers and school staff working with children aged 4-8 years
- teachers for children with special needs
- assistant teachers
- student teachers
- afterschool clubs
- anyone interested in exploring new ways of teaching methods and techniques for STEM and screenless ICT educational activities

Everyone is welcome! Intermediate knowledge of English is required.

The deadline for the submission of the application for Erasmus+ grant will be announced by your local agency in spring 2022.

To be ready before the deadline of the submission of your application, visit the web page of your local agency [Progetti di breve durata - Erasmusplus](#) or directly contact them: [Contatti - Erasmusplus](#).

You can also go to our webpage: www.erasmus-prague.cz or write us an email.

Looking forward to hearing from you.
